Hello!!!

Welcome to the third newsletter, I hope everyone is surviving the winter rain; spring is just around the corner now!! This month's topic is 'lameness', again a huge subject! This info sheet will be followed on in the next couple of months with further information on lameness related topics, so as not to blow your brains all at once!

If you have topics that you would like covering then please email them to [cape@mcveigh.co.za](mailto:cape@mcveigh.co.za) and we will try to accommodate you!

## HORSE TALK.....

August saw the Olympics come and go, and they were amazing!! Now it is the turn of the Para Olympians. As a Brit, I will be keeping an eye on the awesome Lee Pearson.

Good luck to all South Africans competing also!!

For all our valued Hout Bay and surrounding area clients, we are now offering a weekly Wednesday visit to try to reduce your vet bills by sharing the mileage fees. Dr Emma Alsop will be in the area on a Wednesday, to provide

consistency. Please call the practice on 0215523450 a few days before hand to book in your routine work. Emma will then call you on the Tuesday to organize a time for the Wednesday.

In the racing world, August saw the French yearling sales in Deauville, France. Several of our vets went over to vet horses for purchasers, including the Capes own Dr. Alasdair Cameron. Anyone missing him, don't worry, he lands back on our fair shores at the beginning of September. On the first day of the sale a Galileo yearling was top lot, going for 1.1million Euro!

This was topped on the second day with a Sea The Stars colt going for 1.2million Euro!

*Sea The Stars colt that made 1.2million Euro*
