Hello!!!

This month's subject is Sarcoids. This is a fairly big subject so the treatment of sarcoids will be covered in September's information sheet. If your horse has a suspicious lump then please call us ASAP!! Please see the information sheet for more details.

HORSE TALK.....

August has been a busy month. Dr Cameron went to France and the UK to work at the Deauville and Doncaster Yearling sales. We also think he probably found time to sample the French wine and fine cuisine too. Dr Cameron will be back full time in the Western Cape at the end of September.

A big well done to Tyler Von Gunten who won the SANEF schools regional 80cm show jumping in George with 'Dominique', Owned by the Van Der Lindes. Tyler and Dominique have now qualified for the National finals in Johannesburg.

If you have topics that you would like covering then please email them to cape@mcveigh.co.za and we will try to accommodate you!

Please follow the link www.bakermcveigh.com to read this month's info sheet.
