Hello!!!

Following on from December's 'synovial infection' (sorry January got missed, our editor in chief was at the January sales!) this months info sheet is on 'foot penetrations'. This info sheet will hopefully explain why foot penetrations can be so serious and how we treat them. If you have topics that you would like covering then please email them to cape@mcveigh.co.za and we will try to accommodate you!

HORSE TALK.....

Well, time is ticking and we are well into 2013 already!

There is a new member of the team in Cape Town at Baker Mcveigh. A big, warm welcome to Dr Barbara Gillespie. Barbara qualified from the University of Pretoria in 2011.

Please follow the link www.bakermcveigh.com to read this months info sheet.
