Hello!!!

Welcome to the fourth newsletter. Following on from last month's lameness, this month's topic is 'xrays', again a huge subject! This info sheet will be followed on in the next month with further information on diagnostic equipment.

If you have topics that you would like covering then please email them to cape@mcveigh.co.za and we will try to accommodate you!

HORSE TALK.....

Agri Expo is on this month and early October at Sandringham. Our very own Franzi Soule (receptionist and general saviour of all) will be competing her chestnut Equifeeds Bodenhausen Gladiator, with Paul Garlicki up top. A big good luck to them and all other BMCV clients!

Gladiator and Paul

For all our valued Hout Bay and surrounding area clients, we are now offering a weekly Wednesday visit to try to reduce your vet bills by sharing the mileage fees. Dr Emma Alsop, who has a further qualification in equine internal medicine, will be in the area on a Wednesday, to provide consistency. Please call the practice on 0215523450 a few days before hand to book in your routine work. Emma will then call you on the Tuesday to organize a time for the Wednesday.

Emma with a patient

Please follow the link <http://www.bakermcveigh.com/capenewsletters.html> to read the fourth of our monthly information sheets on radiography.
