Baker McVeigh Newsletters

Hello!!!

Well they might have been a long time coming, but they have finally arrived: a monthly newsletter to help keep you up to speed with what's happening in the cape and a monthly fact sheet. This month Equine Emergencies: When to call the vet!!

If you have topics that you would like covering then please email them to cape@mcveigh.co.za and we try to accommodate you!

HORSE TALK.....

This section will hopefully give you some light entertainment and gossip on the practice!!

Last month saw Dr. Alasdair Cameron don his lycra pants, (suspiciously easily to hand) white sneakers and a smearing of anti nipple chafe cream, catch a jet plane to Durban to run the 2012 Comrades Ultra Marathon. Alasdair completed the down run in a very respectable 9hr 26min, with both nipples still fully intact. WELL DONE Al!!!

Dr Dave Timpson has returned from leave where he was cruising the high seas. He is now back and in full swing, having had a well deserved rest.

The winter solstice has been and gone so roll on spring.

In the racing world, everyone is gearing up for the Durban July. There are some great horses running this year and we wish all the trainers and horses the best of luck and to return safely.

I hope you enjoy the newsletters and find the fact sheets informative.

Bye for now,

Emma.

Al coming into Durban after nearly 89km on the road!!!
