Hello!!!

Welcome to the second newsletter, I hope you enjoyed the first letter and fact sheet. This month's hot topic is 'Colic', a huge subject but hopefully the fact sheet will shed some light!

If you have topics that you would like covering then please email them to cape@mcveigh.co.za and we will try to accommodate you!

HORSE TALK.....

The Durban July saw a very exciting and close finish, with Pomodoro, the three year old colt, ridden by Piere Strydom and trained by Sean Tarry, win from the widest draw.

Olympic fever is also building for July and August, in London. The only South African Equestrian competitor is Paul Hart with HeartBreak Hill in the three day eventing, so good luck Paul!

Finally congratulations to Mark Dittberner, one of our vets in Durban, and his wife, on the birth of Josie Kelly on 10th July. Congratulations!!!!

Please follow the link <http://www.bakermcveigh.com/capenewsletters.html> to read the second of our monthly information sheets on colic.
